

VOLUNTARY CONCESSIONS, COMMUNITY BENEFITS, TERMS AND CONDITIONS

Spectrum Development LLC/Mason Row

REVISED OCTOBER 5, 2015

In association with the requested rezoning, and special exception to allow the redevelopment of 110, 112, 112A, 212 & 212A North West Street, 916, 920, 922, 924, 926, 928, 930, 932, and 934 West Broad Street, and 919, 921 and 925 Park Avenue (Real Property Code numbers 51-202-009 through 51-202-015, 51-202-003, 51-202-004, 51-202-005, 51-202-028 and 51-202-028 outlot) (the "Subject Property"), Spectrum Development LLC (the "Owner") voluntarily proffers the following for the benefit of the community and the City of Falls Church (the "City"). The Owner acknowledges that through the special exception approval, it has been granted certain bonuses, including height and increased residential uses, and other benefits in return for its agreements as set forth below, to provide certain features, design elements, uses, services, or amenities desired by the City, including but not limited to, site design, environmentally sustainable and energy-efficient building design, affordable housing creation and preservation, and historical preservation as part of the development. As used herein "Owner" shall refer to the applicant, any contract owner, the property owner, and any successors or assigns:

1. Conceptual Development Plan:

The Subject Property shall be developed in conformance with (1) the Conceptual Development Plan (CDP) dated July 24, 2015 as prepared by Walter L. Phillips, Inc; (2) the architectural elevation drawings dated July 24, 2015 as prepared by GTM Architects; and (3) the Transportation Demand Management Plan (TDM) dated July, 2015 prepared by Wells & Associates. The Zoning Administrator may approve minor deviations from conformance with these documents, as requested by the Owner, provided the deviations do not conflict with what is specifically agreed to in these Voluntary Concessions, are consistent with the purpose and intent of the City Council's approval of the Special Exception, and are necessary to permit reasonable construction of the project.

2. Uses:

The Owner agrees that the uses allowed on the Subject Property shall be limited to the following: a hotel use, a multifamily use which is intended to be rental, but can be converted to condominiums at the discretion of the Owner, a movie theater use on the ground and underground level, an office use on the second level, and a commercial use on the ground floor. Uses shall be as shown in the building square foot amounts and in the locations on the CDP.

3. Commercial Space:

The Owner acknowledges and agrees that the area(s) shown as commercial use(s) on the CDP cannot be converted to residential use(s) without City Council approval. In addition

commercial areas designated on the CDP shall not be used for office uses other than as specifically designated on the CDP and offices that provide retail products and services to the public

The Owner commits to providing a hotel and a movie theater as set out in the concessions below. Additionally the Owner commits to use commercially reasonable efforts to merchandise the first floor commercial spaces as described in the attached "Mason Row; Retail Project Plan" prepared by the Owner and retail consultant, Streetsense (referred to as the "Retail Plan"). The implementation of this Retail Plan will be dependent upon market forces that cannot be fully predicted at this time. The Owner does hereby commit that a minimum of 20,000 square feet of the commercial gross leasable area on the ground level will be offered to and exclusively retained for initial leasing to food and beverage retailers. The Retail Plan does not allow the City to approve of specific tenants, or the specific locating of any specific tenant within the commercial space shown on the CDP.

The Owner does hereby also commit that the following commercial uses that may otherwise be allowed in the B-1 zoning district shall not be permitted without the express agreement of the City Manager or on an appeal of said City Manager's decision to City Council.

Prohibited Uses:

- Disco
- Roller rink
- Amusement arcade
- Adult pornographic book store
- Adult pornographic theatre or amusement facility
- Facility selling or displaying pornographic materials or having such displays
- Second hand store
- Auction house
- Flea market
- Martial arts studio
- Blood bank
- Funeral home
- Outdoor housing or raising of animals
- Industrial uses (including, without limitation, any manufacturing, smelting, refining, chemical manufacturing or processing, or other manufacturing uses)
- Mining or mineral exploration or development except by non-surface means
- Car wash
- Carnival, amusement park or circus
- Off track betting establishment
- Bingo hall
- Church, temple, synagogue, mosque, or other house of worship
- Facility for the sale of paraphernalia for use with illicit drugs

The Owner does hereby also commit that the following commercial uses that may otherwise

be allowed in the B-1 zoning district shall not exceed 15% (approximately 9,472 sf) of the total commercial gross leasable area (approximately 63,147 sf not including hotel or movie theater space) on the ground level of Mason Row without the express agreement of the City Manager or on an appeal of said City Manager's decision to City Council.

Conditional Uses:

- Food catering (as a separate commercial tenant)
- Small pet shop/dog training
- Hair styling
- Antiques
- Wireless telephone
- Used clothing
- Used electronics and used video games
- Comic books
- Yoga and Pilates studio
- Spa treatments and acupuncture
- Urgent medical care
- Non-profit organizations (those not included on the prohibited list below)
- Private wealth management office
- Insurance office
- Accounting and tax services
- ABC liquor store
- Packaging and shipping store
- Copy store
- Cleaners
- Office supplies
- Child learning center
- Child fitness center/gym
- Shoe repair
- Travel services
- Wholesale merchants (as defined for BPOL taxation)

Design Requirements:

- Retail ceiling heights: the ground floor retail spaces shall be constructed with a minimum interior ceiling height (measured "slab to slab") of 14 feet in height.
- A minimum of two table service restaurants shall be located on the ground level of Mason Row and no less than 50% (approximately 31,574 sf) of the total commercial gross leasable area located on the ground level (not including hotel or movie theater space) shall have access to a ventilation shaft to the roof that meets all City Building Code requirements for restaurant use, prior to issuance for a certificate of occupancy for tenant occupancy for such spaces.

Site Specific Uses:

- Phasing of commercial uses before, or simultaneous with, residential uses:
The approval of the Special Exception by the City Council shall not be final until the City Manager states in writing to the City Council that he has determined there exists an executed copy of a lease with a movie theater tenant of a term no less than ten years for the operation of a movie theater in the space shown on the approved CDP and that there exists an executed agreement with a hotel operator with such agreement providing for the construction of a hotel as shown on the approved CDP. The Manager shall notify the City Council with a copy of the notification sent to the Owner, of having received the executed lease in the case of the movie theater and an executed agreement in the case of the hotel, no later than ten (10) business days from the delivery of these contracts to the City Manager by the Owner, in which event the rezoning and special exception approved by the City Council shall be deemed automatically final.
- The ground floor retail or other ground floor commercial space wall fronting Mason Avenue, Market Square, W Broad Street or N. West Street shall have an average 70% transparency (meaning a clear view from the outside to the interior space and activity and not obstructed by drapes or blinds, or by any other window coverings) for the area of any wall facing said streets that is between three (3) feet and eight (8) feet above grade. This provision is not intended to prohibit merchandise displays within the transparency area, restaurants that utilize blinds or curtains to shade customers from unwelcomed sunlight.

4. School Capital Contribution:

The Owner voluntarily agrees to make a contribution to the City of Falls Church to offset increased school capital costs resulting from the additional residential density in the development approved through the Special Exception process, as school capital costs are outlined in the City's Adopted Capital Improvement Program. The contribution will equal **\$5.08** per square foot of gross residential apartment unit area in the project (excluding affordable dwelling units). The total contribution will be paid prior to issuance of the first residential certificate of occupancy.

5. Affordable Housing Contribution:

The Owner agrees to provide affordable housing on the following terms:

- (a) As the Owner and the City agree is consistent with the City of Falls Church Affordable Housing Policy, the Owner will provide affordable dwelling units ("ADUs") in the project equal to six (6) percent of the total number of market-rate dwelling units (rounded up to the nearest whole number). The proportion of ADU's will be: 33% studios; 47% one bedrooms and 20% two bedrooms. The ADU size will be in keeping with the typical unit size in the project for each similar unit type. All ADUs will be dispersed throughout the project. If the Owner provides parking for market-rate units, the Owner shall provide at least one parking space for each comparable ADU unit. If a parking fee is imposed, the same parking fee shall apply to comparable ADU units. The Owner shall have the right to require the payment of security deposits and other deposits or fees for ADU units that are also charged to market-rate Units.

- (b) The Owner agrees to record Restrictive Covenants among the land records of the Clerk of the Circuit Court of Arlington County, which shall define terms and conditions of the ADUs as such terms and conditions are agreed to in these Voluntary Concessions regarding issues including, but not limited to, price control periods and owner/renter occupancy and the matters agreed to in these voluntary concessions. These Covenants shall run with the land and be an encumbrance on the ADUs. The Covenants shall be recorded with the City's land records in Arlington County, and evidence of such recordation will be provided to the Zoning Administrator before a Certificate of Occupancy is issued for any dwelling unit in the project.
- (c) The City or its designee will market and provide qualified tenants who will be referred to the Owner who will rent the ADUs directly or through its designated agent to qualified tenants. The Owner reserves the right to cause its property manager or designee to rent ADUs in the project directly to qualified renters, as determined by the City. The City will regulate and establish ADU qualification priorities and evaluate and qualify prospective applicants in accordance with the Affordable Unit Program official administrative procedures and regulations.
- (d) The monthly rent for the ADUs will be set by the Housing Commission with reference to the U.S. Department of Housing and Urban Development ("HUD") Washington Primary Metropolitan Statistical Area ("PMSA") area median household income ("AMI"). One-half of the ADU's shall be offered for rents that are affordable to households whose income is no more than 60% of HUD PMSA AMI. One-half of the ADU's shall be offered for rents that are affordable to households whose income is no more than 80% of HUD PMSA AMI. Such rents, subject to changes permitted by this **Voluntary Concession 5(d)** will be in effect for a term of 20 years. ADU monthly rent shall include an additional amount as calculated by the percentage increase in AMI, but not less than the original ADU monthly rents listed above.
- (e) If any ADU rental units are marketed for sale as individually and separately owned condominiums within 20 years after the certificate of occupancy is issued for the residential building, then such ADU units will become home ownership units subjected to the conditions in **Voluntary Concession 5(g)** below. The City will be notified a minimum of 120 days prior to the time of sale of any condominium that is part of the project and is an ADU. All ADUs which the Owner desires to sell will be made available for sale within the six-month period. Tenants of individual ADU units will be given the right to purchase their individual unit at prices established under **Voluntary Concession 5(g)**. ADU tenants opting not to purchase will receive relocation benefits from the Owner as outlined in the City of Falls Church Voluntary Relocation policy.
- (f) If sold as a condominium, the Owner agrees to use commercially reasonable efforts to reduce and minimize condominium fees for such ADUs as allowed by the Virginia Condominium Act and applicable law. Upon written notification by the Owner (as outlined by the City) that an ADU is available for sale, the City or its designee will

have the right of first offering to purchase the for-sale ADU for a 60-day purchase offer period following delivery of such written notification to the City Manager. In the event the City does not exercise such right to purchase the ADU or ultimately to close on the sale of the ADU, the ADU shall be offered for sale exclusively to City qualified and designated non-profit organizations for a period of 30 days.

- (g) In the event that the ADU is not sold as outlined above, the Owner will be entitled to sell the ADU without further restrictions, except as set forth in these Voluntary Concessions document at market rates. Net sale proceeds received by the Owner in excess of the ADU price will be divided equally between the City and the Owner. The Owner agrees that the ADU sales price will be set by the Housing Commission with reference to the HUD PMSA AMI at a sales price that are affordable to households whose income is no more than 80% of HUD PMSA AMI.
- (h) The ADU sales price will include an additional amount as calculated by the percentage increase in HUD median income at the time building permits are issued, but not less than the original sales prices listed above. The limitations on sale of ADUs will apply for a period of twenty years following the initial sale and with resale within that first twenty years of each subsequent ADU owner's date of purchase.
- (i) ADU tenants/owners will have the same duties, rights and privileges as all other tenants/owners in the project, except as such ADU duties, rights and privileges are expressly altered by these voluntary concessions.
- (j) A minimum of one of the ADU units shall be accessible as defined by federal law. Additionally, as provided by federal law, all ADU and market-rate units shall be ADA adaptable.
- (k) The Owner will comply with all applicable fair housing laws.

6. Pedestrian Oriented Design Elements:

Streetscape

In order to create a more pedestrian-oriented environment, to help preserve and protect the character of the neighborhood, and to beautify West Broad Street, West Street and Park Avenue, streetscape improvements will be constructed and furnished by the Owner along West Broad Street, West Street and Park Avenue and will be located on property on which the City has a fee interest for public street purposes. In the event the existing dedicated area is insufficient to provide such streetscape, the Owner agrees to dedicate, or place in an easement, sufficient property, as shown in the CDP for public street purposes, prior to issuance of the first certificate of occupancy for the project. The improvements will conform to what is called for in the CDP.

The Owner agrees to maintain the streetscape improvements (excluding maintenance of and electricity for streetlights) constructed as part of this project as long as the project remains. The terms of such maintenance responsibilities will be set forth in a Streetscape Maintenance Agreement to be negotiated between the Owner and the City, which agreement will be finalized, approved by the City Manager, and executed by the Owner prior to issuance of a Certificate of Occupancy for any occupiable space in the project.

Market Square

The Owner agrees to construct the Market Square as shown in the CDP.

Bus Stop

The Owner agrees to construct a bus stop including a shelter with appropriate signage, shelter, and landing pad amenities at a location as generally shown on the CDP, but with the final location to be determined in coordination with the City Manager as being consistent with the City's Bus Stop & Shelter Plan during Site Plan approval. The bus stop design and amenities shall be included in the Site Plan approval, and will be in conformance with the City's adopted Bus Stop & Shelter Plan, which provides specifications and target locations for such bus stops. In lieu of building the shelter, and at the discretion of City, the Owner shall pay the City Fifteen thousand dollars (\$15,000.00) prior to the issuance of building permits for the project, as its contribution toward a bus shelter elsewhere in the City.

Undergrounding of Utilities

All on-site utility connections will be placed underground by the Owner. The Owner agrees to obtain the City Manager's approval of a utility undergrounding plan and layout that meets the standards of this condition and that meets any requirements of the applicable public utility and the City, before issuance of a Building Permit. The Owner agrees to work directly with the Utility Companies to contract and arrange for the undergrounding of overhead utilities. In addition, the Owner will coordinate its efforts with the City's plans for undergrounding utility poles in the vicinity of the subject property. Switchgear equipment, transformers, tanks and generators will be located within the buildings or in underground vaults, but shall not be located either above-ground or outside of the buildings.

The Owner agrees to underground the three utility poles off site along a portion of the north side of N. West Street between Grove Avenue and the W&OD trail crossing on N. West street subject to permission being granted by the Northern Virginia Regional Park Authority ("NVRPA").

Pedestrian Improvements, Connection and Ways

The Owner will construct pedestrian improvements as shown on the CDP which will include: (i) insertion of crosswalks at N. West and Park Avenue intersection, (ii) insertion of pedestrian crosswalk including medium island for refuge across N. West Street at Grove Avenue intersection, and (iii) modify crosswalk striping at N. West and W. Broad

intersection. Owner will work with the City and the NVRPA to seek improvements to the W&OD trail crossing on Grove Avenue.

7. Environmental Improvements:

Green Building Criteria: National Green Building Standard (“NGBS”). The Owner agrees to have the Subject Project designed such that it will achieve a green building certification level of NGBS Silver for the multi-family portion of the project. Prior to release of the final site plan, the Owner will provide the City with evidence of the hiring of an accredited verifier (“Verifier”) who has registered the project with Home Innovation Research Labs. The Owner will provide evidence to the City of submission of design information to the Verifier and scheduling of a mandatory inspection prior to installation of drywall. Prior to issuance of the first certificate of occupancy for residential tenant occupancy of the Subject Property, the Owner will provide evidence to the City of submission of materials for the construction phase to Home Innovation Research Labs, the scheduling of the final inspection and the necessary documentation to seek official NGBS Silver certification within six months of obtaining the final certificate of occupancy for residential tenant occupancy of the Subject Property. The Owner agrees that evidence of such submission will be provided to the Zoning Administrator as required in this **Voluntary Concession 7**. Prior to the issuance of the first certificate of occupancy for tenant occupancy, the Owner will provide the City with a **\$50,000** letter of credit which includes terms approved in advance by the City Manager to assure the City that the Owner will satisfy its obligations under this paragraph to achieve NGBS Silver certification. Such letter of credit will be returned to Owner if the intended NGBS Silver certification is achieved within three years after the issuance of a certificate of occupancy for the last residential unit. If the project does not achieve the intended NGBS Silver certification within three years after the issuance of a certificate of occupancy for the last residential unit, the City will redeem the letter of credit to be used for environmental improvements in the City.

The hotel developer will employ sustainable practices in the construction of the hotel, and will agree to achieve LEED certification or equivalent 3rd party certification. The hotel developer will provide evidence to the City of ongoing compliance with LEED or the equivalent 3rd party certifier’s guidelines for document submissions. Prior to the issuance of the certificate of occupancy for the hotel, the Owner will provide the City with a \$20,000 letter of credit which includes terms approved in advance by the City Manager to assure the City that the Owner will satisfy its obligations under this paragraph to achieve LEED or equivalent certification. Such letter of credit will be returned to Owner if the intended LEED or equivalent certification is achieved within three years after the issuance of a certificate of occupancy for the last residential unit. If the project does not achieve the intended LEED or equivalent certification within three years after the issuance of a certificate of occupancy for the last residential unit, the City will redeem the letter of credit to be used for environmental improvements in the City.

Electric Vehicle Charging Station: A minimum of one charging station for electric vehicles will be provided in the project parking garage. The location of the charging station

will be determined at Site Plan Approval.

Storm Drainage and Runoff: The Owner agrees that the development will meet the water quantity and quality requirements by the State, effective July 1, 2014, to reduce the phosphorus runoff of the equivalent existing impervious area on the site by 20%, and for any additional impervious area beyond existing, to release a maximum overall runoff from the site to meet the Channel Protection and Flood phosphorus of 0.41 lbs/ac/yr. Additionally, the site will reduce the Protection requirements from the State. These requirements will be met through onsite water quality treatment utilizing approved BMP Clearinghouse methods, and with onsite detention.

Removal of Contaminated Soil: During construction, the Owner will remove contaminated soils from the site and transport the same to a site authorized and able to handle such contaminated soils in accordance with applicable environmental state and federal regulations. The Owner agrees to provide documentation of compliance with this requirement to the City.

8. **Installation of Vegetation:** The Owner agrees that all vegetation installed for the project will consist of native and adaptive species from the City's list of approved native plants. Final sizes, species and placement will be determined at Site Plan approval. Plant materials shall be at least the following sizes at installation:

- Evergreen trees (7 to 8 feet in height at planting)
- Shade trees (minimum 2.5 inch caliper)
- Shrubs (minimum spread 18 to 24 inches)

In the event a substitution of approved native plants is required to enable the Owner to meet NGBS criteria, the City Manager or his designee may approve a substitute plant or procedure called for in this **Voluntary Concession 8** to meet the requirements for NGBS certification, if he finds the substitute plant is as hardy and has a similar growth habit to the original plant. All vegetation called for in the CDP or in this condition shall be installed prior to issuance of the first certificate of occupancy for the last floor of the residential buildings for which a certificate of occupancy is issued. The City Arborist may allow modification to the timing of instillation based on the planting season, availability of plant materials, or weather, which may not permit installation of plant materials and/or street trees by the required timing.

9. **Lighting:** The Owner agrees that all exterior lighting for the Subject Property shall comply with the City Ordinances with respect to spill over to residential neighborhood north and east of the project. Any building mounted signs which face the residential neighborhood to the north and east shall not be internally illuminated with translucent panels.
10. **Stormwater Sewer Capacity Expansion:** The Owner agrees that at the Owner's expense

to reline or construct new 15 inch diameter storm sewer line(s) between existing storm structure 879 and existing storm structure 2266, to provide sufficient capacity for the development. Such sewer line design and construction will be built according to the specifications of the City Public Works Department, and will be completed before obtaining the first certificate of occupancy for the project.

11. Transportation Improvements:

Traffic Signals: The Owner agrees to install a traffic signal at the Mason Avenue, N. West and Park Avenue intersection and at the eastern garage entrance to the development on W. Broad Street as shown on the CDP as may be warranted and/or approved by the City. The Owner will be responsible for the design, Traffic Impact Assessment, warrant study, easement/right-of-way acquisition, coordination of VDOT review, and installation of these traffic signals. The Owner shall be found to have fulfilled this condition upon approval of the traffic signal as fully operational by the City Manager. The Owner agrees to obtain the City Manager's approval of the traffic signal as fully operational before issuance of the first certificate of occupancy for the last floor of the residential buildings for which a certificate of occupancy is issued. Alternatively, the Owner shall be found to have fulfilled this condition if the City Manager states in writing that a signal is not approved for installation at either location for any reason.

Street Capacity and Safety Improvements The Owner agrees to (i) realign the Mason Avenue, N. West and Park Avenue intersection, (ii) realign the W&OD trail to cross N. West Street at the traffic signal, (iii) add a westbound only right turn-lane continuing onto N. West Street for the south approach on N. West Street to the intersection with Park Avenue/Mason Avenue, (iv) add an additional east bound turn lane onto W. Broad for the south approach on N. West to the intersection, (v) modify and extend the West Broad eastbound left turn lane approaching the signalized entrance to the parking garage, and (vi) add a westbound turn-lane into the Wells Fargo parking lot for the northbound traffic on N. West Street, all as shown on the CDP. Implementation of the foregoing traffic signals and lane improvement designs are subject to final site engineering, signal design, and VDOT review and City approval. The Owner will mill to a two-inch depth and repave West Broad Street from the centerline to curb along the property frontage, repave N. West Street from the centerline to the curb along the property frontage and repave Park Avenue from the centerline to the curb along the property frontage per paving specifications provided by the City Public Works Department prior to the issuance of the final certificate of occupancy. The Owner will replace and reconstruct sidewalk sections at the end of the construction phase of the project, per specifications provided by the City Public Works Department.

12. Parking Garage: The Owner agrees that any parking garage walls that are visible, across a street from a single family home, shall be at least 42 inches high, so as to block headlights of vehicles parking in the garage from shining across the street.

13. **Transportation Demand Management (TDM) and Parking Management Plan:** The Owner will develop and implement a TDM program as referenced in the Transportation study and shown in Exhibit_____ of this special exception application. The TDM program will conform to these documents and the CDP and will be finalized and approved as part of the Site Plan process. In addition, the Owner will develop and implement a Parking Management Plan, finalized and approved as part of Site Plan approval.
14. **On-Street Parking Restrictions:** As part of the conditions to employment for persons working in businesses located at the project, the Owner agrees that no persons employed on the Subject Property will be permitted to park on City streets during their working hours. The Owner agrees to make available sufficient parking spaces on the property for all employees working at the project and to require all employees who drive to work on the Subject Property to park in the parking garage on the Subject Property during their shift.
15. **Shuttle Service:** The Owner agrees to require the hotel developer to provide a shuttle service to the East and/or West Falls Church Metro stations for its employees and guests during business hours. The shuttle service will begin operating within 60 days after the hotel opens for business. If after a period of 4 years, the hotel developer determines that operating the shuttle service is not feasible, the hotel operator may discontinue the shuttle service.
16. **Bicycle Parking, Storage and BikeShare:**
- Bike Parking and Storage.** The Owner will provide Class 3 visitor bike racks as shown on the CDP and Class1 bike storage consistent with Arlington County bicycle parking standards and requirements, finalized and approved as part of Site Plan approval.
- BikeShare** The Owner agrees to identify property on its site that if required, would be accessible to the public, and on which the City could locate a bike share facility on the Subject Property, if required. Within six months' notice from the City, the Owner agrees to grant an easement to the City over such property to permit the City or an entity that it designates, to locate a BikeShare facility on the project and to contribute **\$15,000** toward the cost of installation of the BikeShare facility and to provide an annual financial contribution of **\$9,000** to pay for the maintenance of the BikeShare facility until the discontinuation of the BikeShare facility at the Subject Property, or the expiration of five years, whichever is the first to occur.
17. **Post-Development Traffic Study and Improvements:** The Owner will pay the cost of a post-development traffic study and improvements, up to a total of **\$50,000**. The update will be conducted approximately twelve months after completion of the project. The scope of the study will be finalized with City staff and may include an analysis of post-development traffic patterns, volumes and impacts, as well as neighborhood pass-through traffic and potential traffic calming strategies, as warranted. In the event the Owner fails to complete the traffic study and improvements by a date that is two years

after issuance of the first certificate of occupancy for any space on the top floor of the building, the Owner agrees to pay **\$50,000** to the City. Such amount will be due, without notice from the City, on the date that is twenty-five months after issuance of the first certificate of occupancy for any space on the top floor of the building.

18. **Parks and Recreation Contribution:** In return for various benefits to the Owner granted through the special exception process and to ameliorate the reduction of open space in the City resulting from the Special Exception Approval, the Owner agrees to increase the environmental sustainability of its project by contributing to the City's parks. The Owner agrees to provide a contribution of **\$150,000** to the City in support of community improvements and future planned upgrades to Parks in the immediate area. The total contribution will be paid prior to issuance of the first residential certificate of occupancy.
19. **Public Art and Art Space:** A **\$25,000** contribution shall be made to The Little City C.A.T.C.H Foundation. The contribution shall be used by the Foundation to fund grants to organizations that desire to stage art, history or cultural events and activities at Mason Row.
20. **Falls Church Public Library Contribution:** In return for various benefits to the Owner granted through the special exception process and to ameliorate the effect of the additional residential density approved through the special exception process on the community, the Owner agrees to provide, as a service for the community, a contribution to the City's public libraries. The Owner agrees to make a capital contribution for public library construction. The contribution will equal **\$0.644** per square foot of gross residential apartment unit area in the project (excluding affordable dwelling units). Such payment shall be made prior to issuance of the first residential certificate of occupancy.
21. **Construction Management:**

Construction Parking and Staging Plan: Prior to issuance of any demolition and/or building permits the Owner agrees to prepare, submit, and obtain the City Manager's approval of a demolition and staging plan for the project. All demolition and construction of the project shall be done in conformance with the approved demolition and staging plan. Once a contractor has been selected for the project, the Owner will prepare a Construction Parking Plan and a Construction Traffic and Staging Plan to be enforced by the Owner for the entire the construction phase of the project, and to obtain the City Manager's approval of the plan as providing sufficient parking or other transportation services for working to the site, and not having an adverse impact on traffic safety, prior to the issuance of any building permit for the project. The Owner acknowledges and agrees that violations of these Plans during construction can result in a Stop Work Order and other enforcement measures by the City.

Community Liaison: The Owner will designate a representative who is physically present on a regular basis on the Subject Property to serve as a liaison to the community for the period leading up to the issuance of the first Certificate of Occupancy and for two years thereafter. The name and telephone number of the liaison will be provided in writing by the Owner to the City's Zoning Administrator prior to commencement of any work on the site.

Excavation Monitoring: The Owner agrees to continuously monitor for soil movement and structural damage to adjacent structures during and after excavation for the project. Structures within a distance equivalent to or less than the depth of the excavation plus 10 feet will be surveyed by the Owner for pre-development conditions and compared to post-development conditions. For such structures, the Owner agrees to provide insurance coverage for damages caused by excavations or construction activities, as independently verified by a third party engineering consultant provided by the Owner. In no way will this provision limit the liability of the Owner or its contractors for damages caused by construction activity.

Sidewalk Accessibility: The Owner agrees to maintain safe pedestrian walkways throughout construction and thereafter, and to ensure that such walkways are, at all times, separated from street traffic. Sidewalks shall not be completely closed on either side of the street, unless the City Manager or his designee approves such closing, after finding that the Owner (1) cannot reasonably provide such a pedestrian walkway, (2) will provide clear signs and access to the sidewalk on the other side of the street, and (3) the pedestrian walkway is not closed for more than fourteen (14) days.

Pest Control: The Owner will contract with a certified pest control company licensed to do such business in the Commonwealth of Virginia for a thorough extermination of any pests and/or rodents that may be present on the Subject Property prior to the start of demolition work and/or any other land disturbing activities, and throughout construction.

22. Public Safety:

Public Safety Radio: The Owner agrees to ensure that all buildings and parking garages on the Subject Property are constructed in a manner that permit public safety radio signals to be transmitted and received throughout all areas within the building and from those areas to all outdoor areas of the property that is the subject of the Special Exception. The Owner will install the necessary equipment and, with at least five days' notice to the City Manager, perform a radio transmission test upon completion of the project, but prior to issuance of the first Certificate of Occupancy, in order to establish that there exists the ability to transmit and receive public safety radio signals from the interior of the building and parking garages, including the subterranean levels. The Owner agrees to permit the City Manager or his designee to be present at the site during the tests and to verify the results. Should the test fail, the Owner will find and

implement a solution acceptable to the City so as to resolve the problem with 90 days of the test.

Emergency Generator: To provide building safety for residents and responders during an emergency and to have the appropriate resilience to meet the demands for community safety, the Owner will provide a natural gas emergency generator sized to accommodate the following loads (all at one time) for the Subject Property:

- Fire alarm system;
- Fire pump, if equipped;
- Emergency hall and exiting lighting;
- One elevator;
- Domestic water pumps; and
- Sump pumps.

Driveway/Ramp Load Capacity: Mason Avenue will be engineered and constructed to support the weight of, and permit passage of, a 60,000-pound ladder truck as currently used by the fire department.

23. **Easements:** The Owner agrees to provide such Easements to the City, in a form and substance as approved by the City Manager, as are shown on the CDP

24. **Other Terms and Conditions:**

Owner Acknowledgements: The Owner acknowledges, understands and agrees that the Subject Property will be developed in accordance with the applications approved by the City Council for the Subject Property and in full compliance with all applicable laws, codes, ordinances, charters, statutes, rules, regulations, agreements, and commitments.

The Owner acknowledges that the Special Exception, as granted, runs with the land and is not transferable to other land.

The Owner acknowledges that the Special Exception will automatically expire without notice, 36 months after the date of approval unless the use has been established or an above-grade building permit has been issued and construction has commenced and been diligently pursued, in accordance with Section 48-90 (d) (6) of the City of Falls Church Zoning Ordinance.

Proffered Conditions Binding on Future Owners: The Owner agrees that these Voluntary Proffered Conditions will apply to and be binding upon all future owners, and upon all heirs, successors and assigns of any owner of any portion of the Subject Property, and the Owner further agrees that it will provide a copy of these Voluntary Proffered Conditions to any such future owner, heir, successor and assign prior to

transferring any interest in any part of the Subject Property to any such person, firm, corporation, or other entity.

Administrative Staff Approvals: Site Plan approval is defined as approval of the Site Plan for the Subject Property by the Planning Commission. The Owner will apply within 90 days of Site Plan approval for associated administrative staff approvals and related bonds using good faith efforts to complete these approvals in a timely manner. There may be consideration of one extension of three months following the initial 90 days at the discretion of the Director of the Department of Development Services.

Access for Commissioner of Revenue: The Owner agrees that the City of Falls Church Commissioner of Revenue (CoR) and/or his designated staff upon prior written notice to an Owner designated representative will have access to the garage(s) on the Subject Property at all times for inspection of window stickers related to personal property taxes for vehicles. The CoR and staff will be provided all credentials necessary to have access to parking garage(s) by vehicle at all times. In the event the access credentials are changed or updated, the CoR will be provided notice and updated access credentials within 30 calendar days.

Terms and Conditions Incorporated in Resolution: The Owner voluntarily submits the foregoing concessions, terms, and conditions to the City Council to be incorporated by reference with the Resolution for the Special Exception, should City Council grant the applications for Special Exception with the conditions set forth in this submission.
